

January 15, 2023

Hello~

I hope your holiday season was successful and brought you the peace and joy it was supposed to!

We have some exciting changes at the Foundation. A few date changes and a few new additions!

MARCH FOR MEALS:

- The business-centered *March for Meals* campaign will now be a Foundation event. Prior years, the campaign was run solely through the Center Nutrition program. We look forward to growing the month long event to help offset the rising costs and expanding client list for Meals on Wheels.

HOUSING AND SENIOR SERVICES FAIR:

- This annual event brings together local businesses at the Center giving seniors an opportunity to get in person information, schedule tours or review services they didn't even know they needed!

WINE AND ROSES ITALIAN DINNER:

- Our 34th annual traditional spaghetti dinner is a well-attended popular event. We are thrilled to be once again in-person! The elegant atmosphere, Italian music, delicious food and exciting raffle make for a fun evening for a worthy cause!

CELEBRATE PRIDE DRAG BINGO:

- A fun new event to bring Drag Bingo to the Center and celebrate inclusion in our community

FOUNDATION ART SHOW:

- New to our lineup is a November Art Show featuring local artists. This two-day event is sure to excite the community.

TRADITIONAL THANKSGIVING DINNER:

- The Foundation will be hosting the Thanksgiving Dinner this year which falls on the Sunday before Thanksgiving. For decades it has been a popular event.

We are structuring our Sponsorships this year a little differently. Your support of the Foundation will be promoted during each of the events and campaigns at the same level. Announcements in the newsletter (which reaches over 15,000 bi-monthly), ads in the newsletter, email blasts and business features on our social media pages are all inclusive in whichever level that best suits your budget for community support.

Attached please find a breakdown of various levels of support. Of course you know I will work with you if you want to get creative!!

Thank you so much for your considerations. In a world full of worthy causes, we are honored that you will consider ours!

Most sincerely,

Junia Stephens

MCC Foundation Director
